Special Music – Sergeantsville UMC	Sundays throughout the year		Free	Solo, duet, chamber music...hymn

*These events are quite competitive, therefore only select students will be asked to participate.

When considering a spring piano event, note that consistent practice is imperative to a positive outcome. Repertoire will be chosen in December to make sure pieces will be performance-ready by March. If a student is not prepared two weeks in advance of the event, we will not participate.
